Re: *United States v. Kevin Christopher, 21-cr-151 (PMH)*

Dear Honorable Judge Halpern:

I write to request that Mr. Christopher be permitted to travel to attend a family reunion cruise on August 9, 2024 to August 18, 2024.

Mr. Christopher has been on supervision since October 5, 2023, and is being supervised by the District of Connecticut. He has been compliant with his conditions during that time and has begun good faith payments towards his restitution. Mr. Christopher wishes to attend a family reunion cruise to the Bahamas with his family. His aunt has offered to cover the costs of the trip for him to attend. Mr. Christopher's probation conditions include a travel restriction with permission to travel upon the approval of either his probation officer or the Court. I have conferred with his supervising officer, United States Probation Officer Marina Davila. Given this request is for international travel, she asked counsel to contact the Court for permission. I have consulted with both his probation officer and the government. Neither take a position regarding this request.

Therefore, Mr. Christopher respectfully requests permission to attend his family reunion as outlined above.

Respectfully submitted,

Elizabeth K. Quinn  
Assistant Federal Defender
